The Man of Foresight

IS WILLING TO BE CONVINCED.

What we ask of you is an inspection of our Spring and Summer Clothes ready to put on. We are giving you the choicest assortment ever seen in this town at prices not to be matched by anyone. We are offering you values that no firm can undersell, as our line of Suits for men of taste, for the young men of fancy and for the little fellows were selected by us with great care while in New York and Boston early in April purchasing goods preparatory to our new opening. These Suits are marvelously close to the tailor's handiwork in trimming, workmanship, style and durability.
